WICKED CONNECTIONS

Deeply connected people up the probability of solving wicked problems. We know that teams who are more engaged increase retention, team alignment, fulfillment, and productivity.

Hunger
What's the radical conversation that it's time to have?

Allies
What allies do I/we need?

Comfort Zone
What comfort zones serve me/us or not?

Heart Listening
What's not being said that is important?

Compelling Why
What is y/our compelling reason to connect?

Sustainability
How do I/we sustain this connection?

Vulnerability
What wants to be shared that will serve a deeper connection?

Assess
What is working or not working?

Bold Action
What bold action do I/we need to take?
